

Leafy Vegetable Crops Pest Update

29 July 2021

Grace Choto, AHDB Knowledge Exchange Manager
grace.choto@ahdb.org.uk

Coral Clark, BGA Ltd Crop Association Executive
Coral.Clark@britishgrowers.org

Horticulture and Potatoes activity update

- The AHDB Board agreed a programme of managed wind-down and transition of levy payer activities for 2021/22
- Funding will continue for current research programmes to the end of the research contract. 42 research contracts will end by March 2022
- AHDB Horticulture events which had been planned for and which are not part of contractual obligations in continuing projects, are being handed over to other parties eg BGA Ltd
- Staffing levels will be managed accordingly across the year
- More details on the winddown can be found on the AHDB website [Horticulture and Potatoes activity update | AHDB](#)

16:40 - 16:55	Questions / Discussion
16:55 – 17:00	Roundup & End

Presenter – Professor Rosemary Collier

Director, Warwick Crop Centre
The University of Warwick

- An entomologist, has worked on horticultural pest insects for many years
- Main research interest is in the development and application of Integrated Pest Management strategies
- She is particularly interested in using science to address horticultural industry problems
- Rosemary runs the AHDB Pest Bulletin (with Dawn Teverson at the AHDB).
- She was awarded the Veitch Memorial Medal by the Royal Horticultural Society, for an outstanding contribution to the advancement and improvement of the science and practice of horticulture.
