

THE UK

ONION & CARROT

CONFERENCE & EXHIBITION

Tuesday 29 November 2022

The event will take place at the East of England Arena & Events Centre in Peterborough on Tuesday 29 November 2022 and will comprise of conference day and a gala dinner.

As both the British Onion Producer Association and British Carrot Growers Association are hosting this event, we expect a large number of delegates to attend and there will be a superb line-up of speakers giving the latest industry updates, emerging technologies, and research.

The conference provides an invaluable platform for networking and plays a huge role throughout the day and at the dinner. The venue we have chosen boasts a large exhibition area and there are many exhibitor packages on offer to provide the opportunity to speak to the Onion and Carrot sectors.

Announcements on speakers, sponsors and other exhibitors are being made via our [website](#) and our [twitter](#). If you would like any further information, please call Pauline Sutton or Coral Clark on 01507 353788 or email admin@britishgrowers.org.
